GLENN HEGAR TEXAS COMPTROLLER OF PUBLIC ACCOUNTS

October 8, 2018

Miguel A Acosta, Board Chairman
Juan Tapia, Chief Appraiser
Zavala County Appraisal District
323 W. Zavala St.
Crystal City, TX 78839-3240

Dear Board Chairman Acosta and Chief Appraiser Tapia:

Zavala County Appraisal District (Zavala CAD) has substantially completed all recommendations made in the Methods and Assistance Program (MAP) review released in January 2018. Zavala CAD is therefore in compliance with Tax Code Section 5.102, Comptroller Rule 9.301 and the 2016-17 MAP requirements.

It is important to keep appraisal practices up-to-date and consistent with requirements of the Tax Code; Comptroller rules; generally accepted standards, procedures and methodology; and other laws. Tax Code Section 5.102 requires the Comptroller to review each CAD's governance, taxpayer assistance, operating standards and appraisal standards, procedures and methodology at least once every two years.

We congratulate Zavala CAD's board and staff for their work.

Sincerely,

A handwritten signature in black ink that reads "Korry Castillo". The signature is written in a cursive, flowing style.

Korry Castillo
Director
Property Tax Assistance Division
