Zavala County Appraisal District
323 West Zavala Street
Crystal City, Texas 78839-3240

Dear Chair Balboa and Chief Appraiser Cervera:

Zavala County Appraisal District (Zavala CAD) has substantially completed all recommendations made in the Methods and Assistance Program (MAP) review released in January 2014. Zavala CAD is therefore in compliance with Tax Code Section 5.102, Comptroller Rule 9.301 and the 2012-13 MAP requirements.

It is important to keep appraisal practices up-to-date and consistent with requirements of the Tax Code; Comptroller rules; generally accepted standards, procedures and methodology; and other laws. Tax Code Section 5.102 requires the Comptroller to review each CAD's governance, taxpayer assistance, operating standards and appraisal standards, procedures and methodology at least once every two years.

We congratulate Zavala CAD's board and staff for their work.

Sincerely,
